2023-2024 Program of Study 24.0199 AALA

Associate of Arts in Liberal Arts

SCAC offers the Associate of Arts in Liberal Arts for students who are interested in a broad-based college education that allows them the freedom to choose a variety of subjects during their first two years in college. The AALA degree concentrations are also designed for transfer to four-year colleges and universities with a specialized block of courses. A degree in liberal arts provides a variety of career options such as law, journalism, publishing, and government service among others.

Program Learning

Students successfully completing this degree will be able to demonstrate proficiency in the following areas:

1. Demonstrate effective reading, writing, and speaking skills.
2. Demonstrate the ability to use research techniques to address a given topic.
3. Be able to use critical-thinking skills to provide multiple perspectives on a specified issue of general concern.
4. Be able to employ perspectives from the social sciences to assess a social problem.

5. Demonstrate the ability to use concepts and methods of the physical and biological sciences to make informed judgments.
6. Demonstrate ability to use an Apache lens to analyze a socio-political issue.

Students:

You must secure official approval by your advisor(s) before submitting the **final** Program of Study. By signing or entering your name below, you agree to the following statement: "Students are responsible for complete knowledge of Academic Catalog requirements in their degree plan and for adhering to all policies in Academic Catalog and Student Handbook."

Signature Panel:

Please indicate approval of the curriculum on the Program of Study by placing your signature (formal electronic signatures are permitted) in the space provided.
