#### **Associate of Arts in Liberal Arts**

SCAC offers the Associate of Arts in Liberal Arts for students who are interested in a broad-based college education that allows them the freedom to choose a variety of subjects during their first two years in college. The AALA degree concentrations are also designed for transfer to four-year colleges and universities with a specialized block of courses. A degree in liberal arts provides a variety of career options such as law, journalism, publishing, and government service among others.

## **Program Learning Outcomes**

- 1. Actively and critically read, interpret, and analyze diverse texts.
- 2. Clearly articulate ideas, arguments, and topics through writing and public speaking appropriate to specific audiences.
- 3. Research topics through evaluating, citing, and documenting various sources.
- 4.Explain a socio-political issue from multiple perspectives, including an Apache lens.

5. Integrate concepts and methods of the physical and/or biological sciences to make informed judgments
